

Bissau Kenya power distribution box parts manufacturer

Overview

Switchgear Limited formerly known as Switchgear and Controls Limited was established in 1974 as a pioneer in the manufacture and supply of Low Voltage Distribution Boards, Motor Control Panels, Power Factor Correction Panels, Automatic Mains Failure Panels, Control Desks, PLC and. Switchgear Limited formerly known as Switchgear and Controls Limited was established in 1974 as a pioneer in the manufacture and supply of Low Voltage Distribution Boards, Motor Control Panels, Power Factor Correction Panels, Automatic Mains Failure Panels, Control Desks, PLC and. We manufacture attractive and durable DISTRIBUTION BOXES, the distribution board, panel board, breaker panel, or electric panel that serves as the load centre and distributor of electrical power in any building or property, according to the customer specific needs and requirements. Get in touch. A distribution board is a part of an electrical supply system that separates an electrical power feed into subsidiary circuits while providing a circuit breaker for each circuit in a common enclosure. We also manufacture low voltage switchboard panels and motor control center panels. ISO-certified, IEC-compliant panels powering hospitals, schools, industries, and infrastructure across East Africa. Safer Power Ltd has full pledged assembly factory in Kenya and Burundi.
