Hubbell's NEXTFRAME® Ladder Tray is the effective and widely used cable runway that supports and delivers bundles of cable between cabinets, racks, and closets, along walls, and suspended from ceilings. The Ladder Tray features light, rugged, tubular steel construction. Cable ladder systems and cable tray systems shall be manufactured in accordance with BS EN 61537, channel support. For ease of installation and accessibility, lay cable and hose in trays instead of pulling it through conduit or raceway.
