

Optical Communication Product Showcase

Overview

This year's expo take place at Los Angeles Convention Center from 15 to 19 March, bringing together industry leaders, experts, academia, media, analysts and students to explore the latest in optical technologies. The 2025 Optical Fiber Communication Conference and Exhibition (OFC) will spotlight more than 600 global exhibitors – from global technology leaders to emerging innovators – Exhibition: 01 – 03 April (Technical Conference: 30 March – 03 April) in San Francisco's Moscone Center. Nominations for this years ECOC Exhibition Industry Awards are now open. Discover the categories for 2026 and find out how to apply. (NYSE: COHR), a global leader in photonics, announced today that it will showcase its new products and technologies for next-generation optical communications networks at OFC 2025, Apr 1-3 at the Moscone Center in San Francisco, Booth. A wave of optical innovations will be showcased in California, over the coming week, as the Optical Fiber Communications Conference and Exhibition (OFC 2026) presents the latest breakthroughs in optical communications and networking. -- (BUSINESS WIRE)-- Lumentum Holdings Inc.

OFC 2026 to showcase high-speed optical networking and

A wave of optical innovations will be showcased in California, over the coming week, as the Optical Fiber Communications Conference and Exhibition (OFC 2026) presents the latest

OFC 2025: More Than 600 Global Innovators Unite to Showcase the

Leading global brands will showcase groundbreaking optical components, devices, systems, specialty fiber products, software and testing equipment and more. OFC is an event that

2026 OFC booth#2339 Triple-Stone Advances 512×512 Optical Circuit ...

About OFC The Optical Fiber Communication Conference and Exhibition (OFC) is the world's largest event for optical communications and networking professionals — a showcase for the

Corning Incorporated

End-to-end solutions accelerate dense, scalable network growth Corning Incorporated (NYSE: GLW) will showcase new innovations to optimize AI data center networks at the 2026 Optical

Broadcom Advances Optical Connectivity for AI Infrastructure with ...

These innovative technologies, including advancements in co-packaged optics (CPO), 200G/lane DSP and SerDes, 400G optics, and PCIe Gen6 over optics, will be showcased at the

Corning at OFC 2026 | New Fiber, Cable, and Connectors to Build ...

As I step into my new role as Vice President and General Manager of Emerging Businesses & EMEA, I'm especially excited to highlight Corning's newest future-agile innovations at

Coherent to Showcase Innovative Products,

Coherent will showcase its new products and technologies for next-generation optical communications networks at OFC 2025, Apr 1-3 at the

Corning at OFC 2026 | New Fiber, Cable, and Connectors to Build ...

Corning's newest fiber, cable, and connector technologies unveiled at OFC 2026 enable faster builds, higher capacity, and seamless scaling for AI ready networks.

Corning unveils suite of next-gen optical tech to

The product leverages Corning's SMF-28 all-glass optical fiber technology, providing reach but with half the diameter of legacy ribbon cables,

Credo to Showcase AI Scale Out Fabric Featuring

At OFC 2025, Credo will demonstrate a live AI scale-out network featuring single mode and multi-mode transceivers based on Credo digital signal

OFC 2026 | Industry Events | Photonics Spectra

Optical Networking Innovation Takes Center Stage at OFC 2026 March 4, 2026 — The Optical Fiber Communication Conference and Exposition

OPTICAL COMMUNICATIONS PRODUCTS

Communications Cables Our active optical cables (AOCs) and direct-attach copper (DAC) cables accelerate data connectivity for storage, networking, high-performance computing (HPC), and AI/ML

2026 Exhibition and Theater Programs | OFC

The Exhibition - A Global Showcase for Innovation The exhibition features more than 700 industry-leading companies representing the entire ecosystem of

Lumentum

Lumentum Holdings Inc. ("Lumentum"), a global leader in photonic solutions, today announced its showcase of technology and product demonstrations designed to meet the

Global Leader in Materials, Networking, and Lasers

Learn how Coherent empowers innovations and breakthrough technologies for the industrial, communications, electronics, and instrumentation markets.

Optical Communications Products

Browse our optical communication connectivity products designed to help you enable your communication networks. Easily create a bill of materials list.

ECOC Exhibition 2026 | ECOC

The ECOC Exhibition is Europe's largest exhibition in the fibre optic communication technology industry and in 2019, will once again showcase the latest products and services as well as providing an

OFC 2025: 650+ Technical Presentations & Expert-Led Business

Leading global brands will showcase groundbreaking optical components, devices, systems, specialty fiber products, software and testing equipment and more. OFC is an event that

Lumentum

From optical transceivers within data centers to DCI links, long-haul transmission systems, subsea cables, and edge networks, our solutions deliver the scalability, ultra-fast

Photonic chip technology manipulates visible to telecom wavelengths ...

About OFC The Optical Fiber Communication Conference and Exhibition (OFC) is the world's largest event for optical communications and networking professionals — a showcase for the

Credo to Showcase High-Performance, Low-Power

09/23/2025 - 06:00 AM SAN JOSE, Calif. -- (BUSINESS WIRE)-- Credo Technology Group Holding Ltd (Credo) (NASDAQ: CRDO), an innovator in

Corning at OFC 2026 | New Fiber, Cable, and Connectors to Build ...

At OFC 2026, we are showcasing the future of AI connectivity — an end-to-end co-packaged optics (CPO) ecosystem that supports performance, density, and reliability from the

Corning To Launch AI Innovations in Fiber, Cable, and Connectivity at ...

Corning Incorporated (NYSE: GLW) will showcase new innovations to optimize AI data center networks at the 2026 Optical Fiber Communication Conference and Exhibition.

MACOM to Showcase High Speed Analog Connectivity Solutions at

MACOM Technology Solutions Inc., a leading supplier of semiconductor products, will showcase its latest connectivity products at Stand C83, during the European Conference on Optical

ECOC 2026

ECOC Exhibition- Running alongside the conference, the ECOC Exhibition has grown into Europe's premier optical communications showcase. It brings together hundreds of exhibitors and over 8000

MACOM to Showcase 200G per Lane Products at Optical Fiber

These demonstrations feature advancements in 200G per lane technology, along with new product additions to its portfolio of optical, high-speed analog and mixed signal solutions.

Coherent to Unveil Breakthrough AI-Scale Optical Innovations and ...

Coherent will unveil AI-scale optical innovations at OFC 2026, showcasing technologies that advance bandwidth, scalability, and energy efficiency.
